LEJIAN

arena amusement parks

LEJIAN arena amusement parks, this unique form of entertainment combines the excitement of competitive games with the joy of amusement parks, providing participants with a brand new, challenging, and enjoyable entertainment experience.

1、 The perfect combination of competition and entertainment

This perfect combination of entertainment and competition has made the arena amusement park a comprehensive entertainment venue that integrates leisure, entertainment, and competition.

2、 Diversified entertainment projects

These diverse entertainment projects not only meet the preferences and needs of players of different age groups, but also provide more choices for players

3、 High tech applications

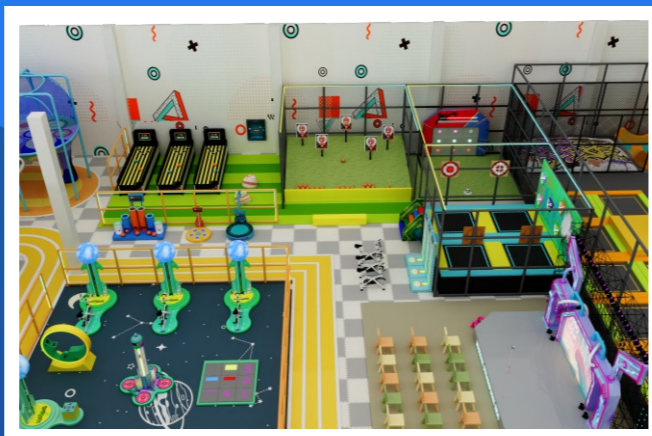

Lejian arena Amusement Park adopts an intelligent management system, which provides more personalized services for players through big data analysis and artificial intelligence technology.

4、 Strong social skills

Here, players can participate in various entertainment projects with friends and family, enhancing their relationship with each other. At the same time, in e-sports competitions, tourists can also meet players from different places and broaden their social circles.

5、 High security

Despite the high level of excitement provided by arena amusement parks, safety has always been the primary consideration for these venues. In arena amusement parks, various amusement facilities have undergone strict quality testing and safety assessment, ensuring that tourists can enjoy entertainment while also ensuring safety.

1.Diversified facilities

LEJIAN modern trampoline parks usually have various types of trampoline facilities, such as regular trampolines, large trampolines, trampoline basketball, trampoline slides, etc., to meet the needs and preferences of different groups of people.

2.Safety guarantee

The trampoline park emphasizes safety and has professional safety facilities and rules, such as cushions, guardrails, safety nets, etc., to reduce the occurrence of accidents.

3.Professional Coach Guidance

Trampoline parks are usually equipped with experienced coaches who provide professional guidance and training to help beginners master the correct trampoline techniques, improve safety and fun.

4.Rich activity projects

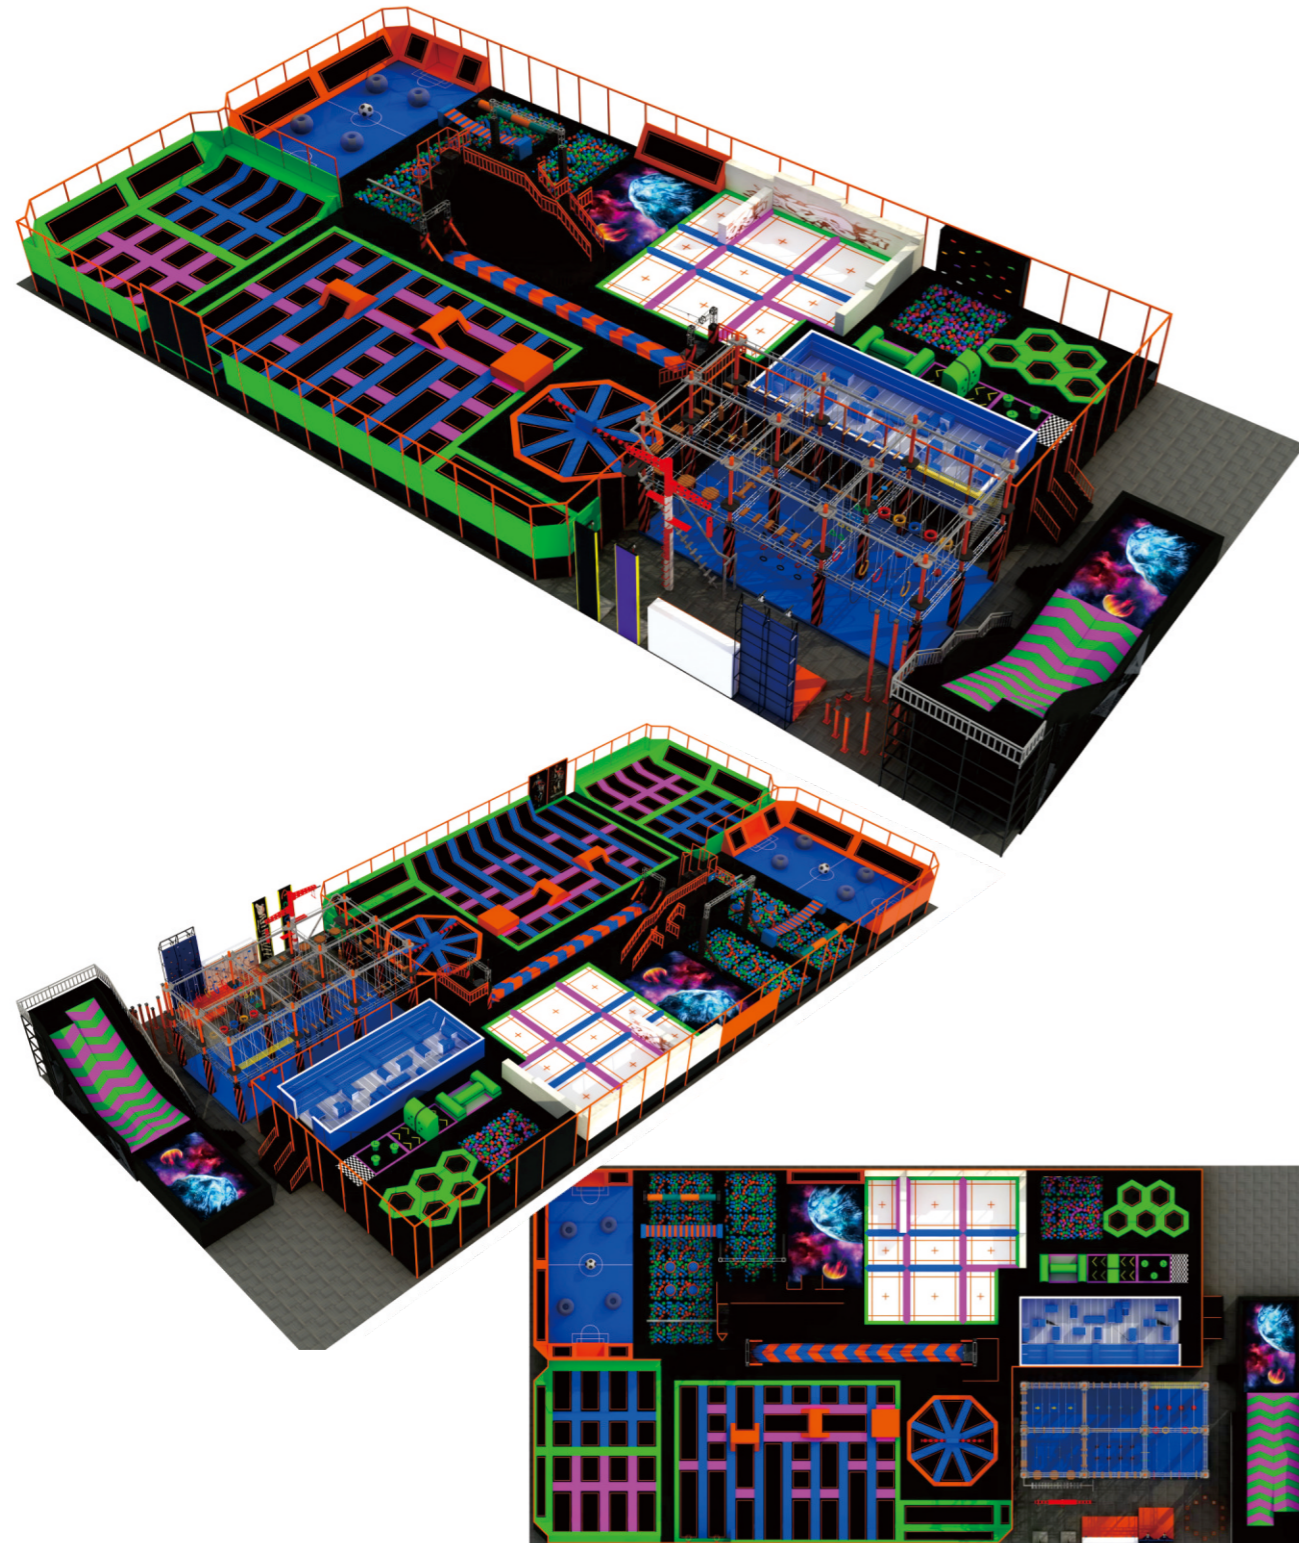

The trampoline park not only provides ordinary trampoline jumping activities, but also organizes various interesting activity projects, such as trampoline competitions, trampoline fitness courses, trampoline parties, etc., to increase the interaction and entertainment of participants.

5.Suitable for all age groups

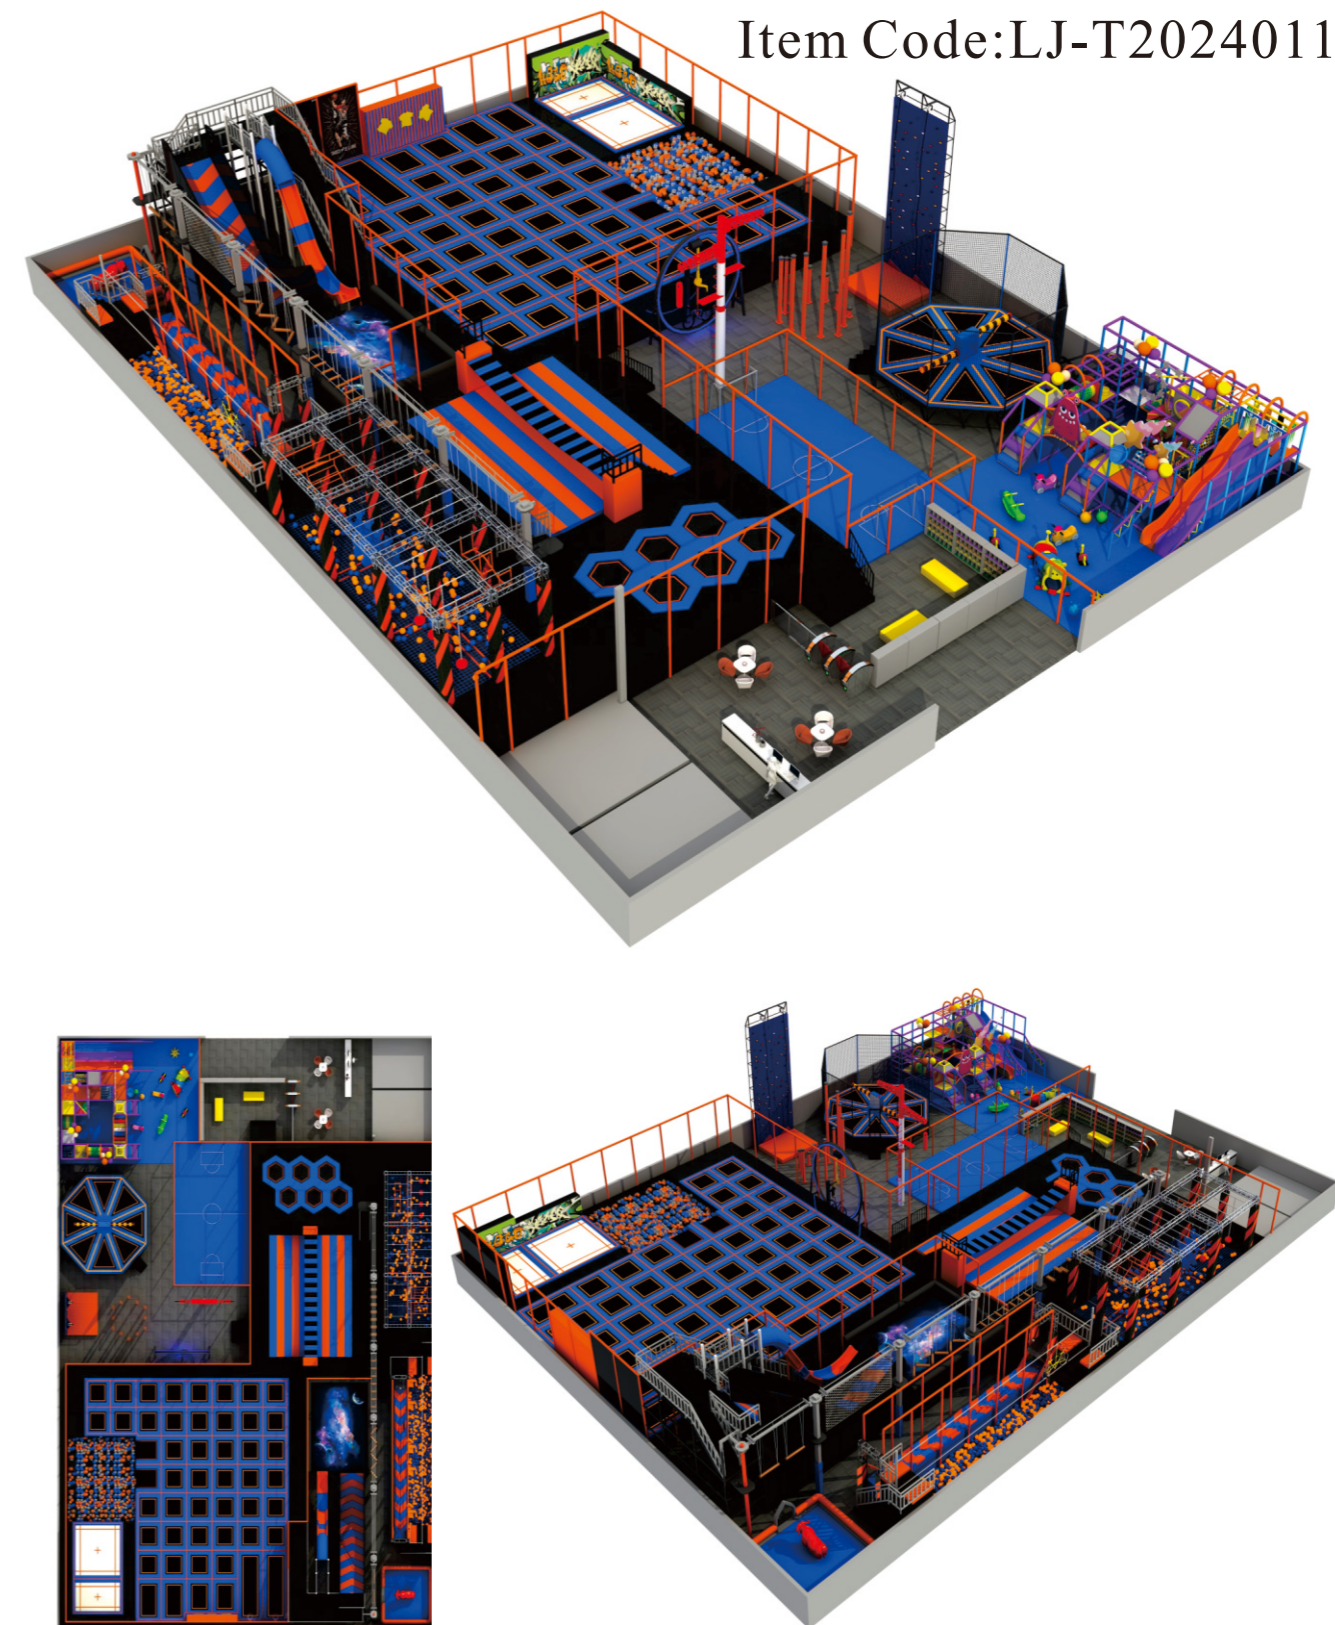

Trampoline parks are not only suitable for children and adolescents, but also for adults and families to participate in. Parks usually have different areas, and trampoline areas are set up according to the needs and abilities of different age groups. In short, modern trampoline parks offer diverse facilities, safety guarantees, and professional coaching guidance.
